

WALES POST ELECTION SURVEY - JUNE 2007

Fieldwork dates - 19/06/07 to 22/06/07

Table 1

Q1 The current proportional representation voting system used for elections to the National Assembly for Wales can mean that no single party is guaranteed to win an outright majority of seats, and as a result political parties have to form a coalition government where two or more parties try to work together. Do you think coalition government is good or bad for Wales?
